Meet me, oh momma, in the city
And see everything's is so fine
We'll get together now, darlin'
Oh yes we will
We'll make everything alright
Now honey don't

Right now, right now
Oh no no noYou got me, baby

You got me where you want me, baby
Girl, I know you are satisfied
Still begging you, baby
Don't leave me herePlease, please don't leave me
Right now baby, right now, right now
Oh no no no
